

NOTICE FOR WRITTEN PUBLIC COMMENT
South East Texas Regional Planning Commission
Hurricane Ike Disaster Recovery Housing Program

The South East Texas Regional Planning Commission (SETRPC) is accepting written public comment related to revising our Method of Distribution (MOD) for Round 2.2 Disaster Recovery Supplemental Allocation. The revision would include the transfer of \$12,500,000 in *Other Affordable Rental* Funding to *General Housing* Funding. These funds were originally allocated for Public Housing in the City of Beaumont; however, an application for use has not been approved to date. Due to time constraints related to the use of funds, the SETRPC is recommending the funds be transferred to our Homeowner Assistance Program (HAP), which provides reconstruction or rehabilitation to storm damaged single family homes within the Hardin, Jefferson and Orange County area. This transfer would allow a substantial number of households, which have been denied assistance due to lack of funding, to be served.

Written comments will be accepted Monday, January 26, 2015 through close of business, Monday, February 2, 2015 via hand delivery, mail, fax or email to the following:
